**Councilman John O. Phelps**

My name is John O. Phelps, I was born in Phoenix and raised here in Round Valley. I have lived in Missouri, Alaska and southeastern Arizona. I learned that Eagar is a nice place to live and raise a family. All four of my children graduated from Round Valley High School. I have 5 grandchildren and 4 of them being part of our community.

I have roots here and love this town. I would like to see growth and still be able to keep our small town atmosphere. I work for S.R.P. as a heavy equipment mechanic and my wife of 28 years works for Round Valley Vision Center. As I said earlier, I love the heart and soul of this town. I decided to give something back and that is why I ran for the Town Councilman position. Thanks for the opportunity and I hope to do a good job.
